The results revealed that MAYA-RODRIGUEZ is a citizen of Mexico with the foregoing immigration history who has been previously removed from the United States. The record checks did not provide any evidence that MAYA-RODRIGUEZ legally entered the United States or had been issued any document or status that would allow him to enter or remain the United States.
22. The aforementioned arrest and subsequent detention was an administrative, non-criminal action made pursuant to the authority found in sections 1357,

1225, 1226, and/or 1231 of Title 8, United States Code to arrest and detain any alien entering or attempting to enter the United States, or any alien present in the United States, who is reasonably believed to be in violation of any law or regulation regulating the admission, exclusion, expulsion, or removal of aliens.

23. Review of the Alien File (A# xxx xxx 113) for Eduardo MAYA-RODRIGUEZ and queries in Department of Homeland Security databases confirm no record exists MAYA-RODRIGUEZ obtaining the express permission from the Attorney General or the Secretary of the Department of Homeland Security to re-apply for admission to the United States following his removal on August 31, 2018.
24. Based on the above information, I believe there is probable cause to conclude that Eduardo MAYA-RODRIGUEZ, is an alien who was found in the United States after removal, without the express permission from the Attorney General of the United States or from the Secretary of the Department of Homeland Security to re-apply for admission into the United States in violation of Title 8, United States Code, Section 1326(a).
